ENERGY CONSULTING SERVICES

Comprehensive energy assessment of all forty-six district sites

- Assessment included analysis of lighting, controls, heating, air conditioning, computer management, photovoltaic, and miscellaneous energy conservation measures
- Identified more than \$18 million in energy-savings opportunities
- Developed specifications for upcoming modernization projects
- Developed energy policy procedures and practices

RFP Management

- Managed a competitive process to select both natural gas and electric providers

Rate Analysis

- Saved the district tens of thousands of dollars annually

About Innovative Energy Services, Inc.

Innovative Energy Services, Inc., is a California corporation specializing in energy conservation strategies for California's K-12 public schools. We are independent of utility companies and equipment manufacturers and work exclusively as a customer advocate for our clients.
